

We are excited to announce the upcoming **Y Summit 2024**, Young Innovators Technical Summit 2024, a platform dedicated to fostering innovation and collaboration among Polytechnic students in the field of technology and engineering.

As esteemed leaders in the education sector, we cordially invite you and your institution to participate in **Y Summit 2024**. The event aims to provide a conducive environment for students to showcase their research, ideas, and projects through various events.

Date: 22/02/2024 to 24/02/2024

Venue: Govt. Polytechnic College Kalamassery

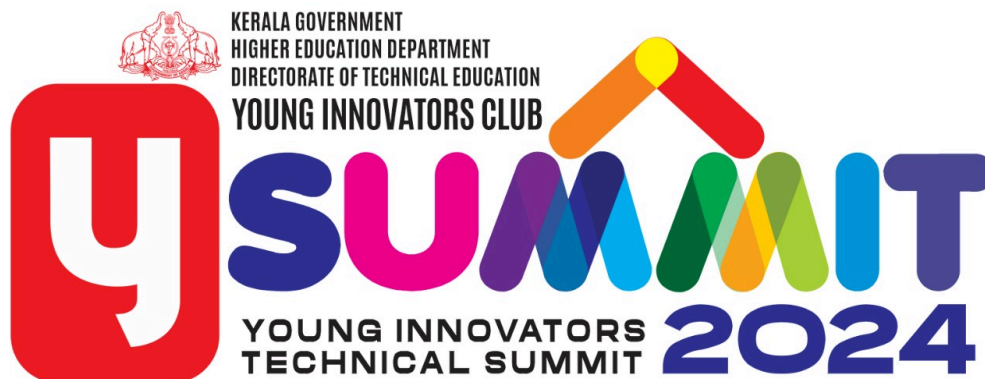

We believe that your institution's participation will add tremendous value to the summit and provide an enriching experience for your students. It's an excellent opportunity for them to showcase their talents, exchange ideas with peers, and network with industry experts.

Thank you for your attention, and we look forward to your positive response and active participation in **Y Summit 2024**.

Events are mentioned below:

1. Project Expo
2. Technical Paper Presentation
3. Industrial Meet Up
4. Kerala Cultural Fest

Detailed guidelines are attached.

Technical Paper Presentation Guidelines

Technical paper presentation contest has two phases of screening - First phase is abstract submission. Papers selected from this Phase have to submit the full paper. Below are the guidelines for the manuscript submissions.

Abstract Submission

1. Manuscript should be in IEEE format.
2. An abstract of 250 words need to be submitted
3. Abstract mentioning the reason why the paper is proposed, current scenario and a briefing on the proposal. Include the paper title also as the heading of the abstract without mentioning the author's identity.
4. Each participating team must consist of a maximum of three members and a guide.
5. Paper should be focused on original research, innovative projects, or technological advancements.
6. Completed abstract in **pdf format** to be attached in the **google form** before **12th February 2024, 12:00 PM**

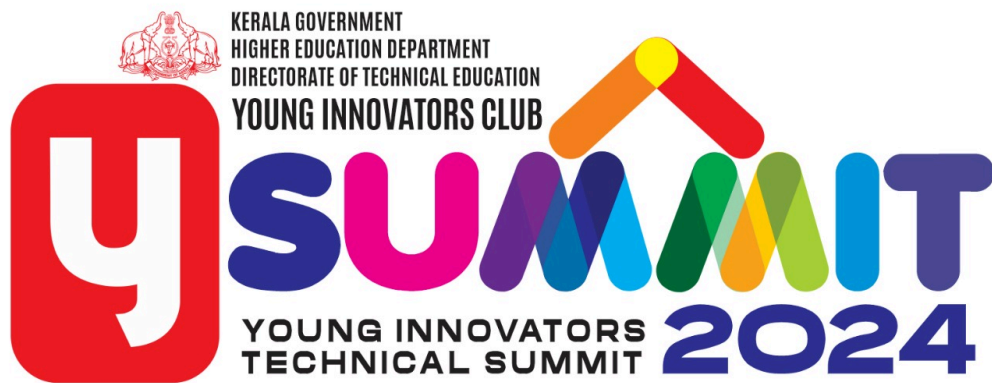

Full paper Submission

1. Full paper along with an abstract (250 - 300 words) should be in IEEE format (Template is given in the website)
2. Total length of the full paper can be 5-6 pages.
3. Full paper needs to be submitted in **pdf format** though **the website on or before 18th February 2024, 12:00 PM**

Last date of Registration: 12/2/2024 (Sunday), 12PM

Project Expo Guidelines

- Project expo is conducted in three separate tracks: Engineering Colleges, Polytechnic colleges and Technical schools.
- Registration is through the google form attached herewith.
- Participants need to download and fill the project details in the Presentation Template (PPT) given below and upload it during the registration.
- Submitted projects should be the original work of the contestant.
- If any form of malpractice is noticed, the participation will be canceled.
- Screening of the projects will be done by an Expert panel based on the details submitted by the contestants. Socially relevant projects will have higher weightage in the screening process.
- The decision of the Expert panel regarding the selection process will be final.
- Selected Projects should have a working prototype for the exhibition.
